PURPOSE: The committee provides advice and guidance to the Secretary, HHS; the Assistant Secretary for Health; and the Director, CDC, regarding the formative research, development, implementation and evaluation of evidence-based activities designed to prevent breast cancer (particularly among those at heightened risk) and promote the early detection and support of young women who develop the disease. The advice provided by the Committee will assist in ensuring scientific quality, timeliness, utility, and dissemination of credible appropriate messages and

resource materials.

MATTERS TO BE DISCUSSED: The agenda will include discussions on the current and emerging topics related to breast cancer in young women. These may include risk communication and health education, as well as approaches to increase awareness of clinicians/practitioners regarding topics such as breast cancer risk, breast health, symptoms, diagnosis, and treatment of breast cancer in young women.

Agenda items are subject to change as priorities dictate.

Online Registration Required: In order to expedite the security clearance process required for entry into a Federal building, all ACBCYW attendees must register for the meeting online at least 15 days in advance at [http://www.cdc.gov/cancer/breast/what\\_cdc\\_is\\_doing/meetings.htm](http://www.cdc.gov/cancer/breast/what_cdc_is_doing/meetings.htm). Please complete all the required fields before submitting your registration and submit no later than October 16, 2013. Each meeting day, attendees must provide CDC staff and security with driver's license/state issued ID, or passport.
